Join the National Student Nurses Association!

What is NSNA? NSNA is a national organization of nurses, leaders, and student nurses who strive to grow in professional development and provide educational resources for members.

What are the benefits of being an NSNA Member? NSNA members get special discounts on scrubs, shoes, NCLEX materials, hotels, conferences, access to educational resources, portfolio services, and more! It looks great on a resume. You also get a subscription to *Imprint*, the professional magazine for student nurses. The NSNA Conference is April 5th-9th and will take place in Dallas, Texas!

Cost: Becoming a new member is only \$35 for one year and \$70 for two. Not sure if your membership is expired? **Email Want more Information?** Go to <http://www.nсна.org/Membership.aspx> for more information and to become a member! You can also email Stephanie Bennett at sbennet6@uccs.edu if you have any questions.

Here are some pictures from this month's NSNA Conference in Dallas. It was a great networking opportunity, and all of the students that were able to attend learned so much from the seminars provided. Start planning to attend the NSNA Conference for next year, you don't want to miss it!
